SWIM MEET AT POINT CONNETT

The annual Point Connett swim meet was held Saturday, August 27th, under the direction of Water Safety Instructor, Bette Scholter, and her assistant, Rhoda Henkels. Mrs. Ralph Price, Jr. headed the children's activitity committee in charge of the swimming classes for the season.

Mr. Richard Henkels announced the events, and they were judged by Judy Walker and Linda Anderson, past assistants at the Point, and Mr. Foster.

The winner of the pen and pencil set for the most improvement in swimming during the season was Jim Giammalvo, Angelica Beach.

Laura Potsubay won the girls' silver cup for the races and the winning boys were Jay McGuire and Steve Durgin who each received a cup.

Comedy races were held for each class in addition to the regular swimming races. The finale consisted of a float parade with members of all classes decorating their boats.

The meet was the conclusion of a very successful season with 67 children taking lessons.

MEET YOUR CANDIDATE PROGRAM IN MATTAPOISETT

Candidates for County and State office for the Republican Party were presented to the townspeople of Mattapoisett on Thursday evening. In spite of a late session of the Senate in Boston and conflicting commitments, a good number of the candidates managed to appear here to introduce themselves and explain their policies. Mr. George Heath, Republican Town Committee Chairman, read a telegram from Henry Cabot Lodge in which he sent his greetings to the candidates and expressed his regret at being unable to attend the meeting. Mr. Heath introduced the speakers until Senator Howard Young of Dartmouth arrived from Boston to take over the introductory duties.

The Republicans feel that they have a good slate of candidates and have a very optimistic view of the coming election. Mr. Volpe, the candidate for governor, is highly regarded by those who have worked with him. It is felt that the unsound spending and the taxation policies of the present administration has made the people of both parties in the State ready for a change. Senator Saltonstall opened his campaign headquarters on the night of the Mattapoisett meeting, and so was unable to attend, but his representative, Mr. Robert Clark was on hand. It is felt that full registration of voters and bringing out the vote

will retain Senator Saltonstall in the office where he has served with distinction. Mr. Gus Means was represented at the meeting by Mr. Dillon. He was described as a vigorous man who is the only Republican now serving on the governor's council. He is running for Lieutenant Governor and advocates a constitutional convention to bring the State constitution up to date. He has witnessed many lax appointments in the State government which he would like to correct.

Representative Alton H. Worrall, who is not running for re-election at this time, was on hand to extend his thanks to the people of the town for their fine support of his previous candidacy and to introduce two candidates who are running for the office that he holds. He said that although he is not a candidate now that he has something in mindfor the future. Edwin H. Morse of Wareham and C. Trafton Mendall of Middleboro are the candidates for State Representative. Mr. Morse mentioned his long experience in Wareham politics and spoke strongly in favor of the value of home rule. Mr. Mendall spoke of his service to the town of Middleboro in the planning of their new school building which cost $1,600,000 and which the town accepted. He said he was proud of the faith thus shown in his judgment and prudence. Senator Howard Young arrived from Boston where he had been delayed by a late Senate session. He mentioned that the session involved a $58,000,000 new Senate Office Building which the Democratic majority were determined to jam through that day. He said that this measure would inevitably lead to a whole series of new construction of many more millions of dollars in value. There is agitation on the part of the Boston papers to do away with county government. Mr. Norman MacDonald had some impressive figures to quote to show that a move of this kind would be costly for the taxpayers. In the last 25 years he said the cost of county government has increased 7 times while in the same period

CHAPEL TO BE BUILT IN ROCHESTER

Cardinal Cushing has approved plans for a chapel to be erected on a four acre lot on Vaughn Hill Road, Rochester. Construction will begin immediately. Parishioners of SS Martha and Mary Church, Lakeville, which is serving the towns of Lakeville and Rochester, have been having Masses and catechism classes at Rochester Grange Hall. It proved of necessity for Rochester parishioners to have a chapel and Catholic center of their own.

the cost of State government has increased 12 times. In the comparatively short period that Governor Furcolo has been in power the debt owed by each individual in the State has risen by $151. per capita to $232. per capita as it stands today. He said that since the work now done on the county level would still have to be done, it would be done by State government appointees inevitably at the tremendously increased cost to the taxpayer. Time and again the candidates who spoke reiterated the fact that every time the government moves from the local level to the higher level of the State and National levels the cost of the government increases. County Commissioner.

Mr. Charles W. Williams, county treasurer for the past 8 years, spoke of his experience and cited examples of his careful evaluation of charges against the county which bore out the basic truths of Mr. MacDonald's statement of the economy of County government. Mr. Walter H. Gilday, register of probate, spoke of his work in the probating of wills, adoption and divorce field. An interesting point was that although the population has increased tremendously, the divorce rate in Massachusetts has remained on a level.

Other speakers on the county level were Mrs. Elva Bent, Sheriff Adnah Harlow, District Attorney John Wheatley and Robert S. Prince, clerk of Superior Court.

Wallace I. Wilbur, candidate for governors councillor, introduced himself and spoke of the need for Republican representation on the council. Mr. Joseph L. Herrick of Fairhaven introduced himself as a candidate for the Senate. As a businessman who has traveled widely, he said he knows the people and problems of the district well. He expressed the feeling that there is need for a businessman in the Senate to deal with State problems.

Senator Young, who very ably introduced the various candidates, also spoke on the National picture. He described himself as optimistic even in the State of Massachusetts. The choice of Henry Cabot Lodge he said has a definite bearing on the changing picture. The Democrats can no longer take New England for granted, he said.

Senator Stone, running for re-election to the seat where he serves us so ably, illustrated the questionable policies of the Demo-

cratic administration as regards to their gerrymandering of the districts he represents. Recently they cut off ten northern towns from his territory and took Fairhaven and Westport from Senator Young's district to add to Senator Stone's. Since the State law requires that the towns represented have common boundaries, this took a bit of doing. The Democrats dug up an old map which had a line running through Buzzards Bay. By theoretically extending the borders of the town of Westport to connect with Cuttyhunk somewhere under the bay, the law was covered (in this case by considerable water). Senator Stone remarked that as a young man he could swim six miles. Since the distance to be covered by his adjoining towns over water measured 8 miles he would have to go into training again. The Senator has served on many important committees. The most vital is the Ways and Means Committee. He strongly put the necessity of regaining control of the Senate. In order to have some check on the waste and extravagance of State government it is important that the Republicans hold the seats that they have now and gain three more. A bill that then passes the House can then be amended in the Senate to realistic proportions. The Senator told of an actual instance in which the sum of $10,000,000 was saved in this way, but this is not possible when the Democratic party controls all the branches as they do at the present. The Senator said that the present administration is surrounded by otherwise personable, bright young men, but who economically have only one idea - spend, spend, spend, and tax, tax, tax. He touched on his great interest in the long shoreline which is possessed by his district and of the influence that he has brought to bear to bring many improvements to the waterfront holding of these towns. Senator Stone said that the best requirement a man can bring to public office is a love for the work.

Refreshments were served at the close of the meeting as the public met and talked with the candidates.

FRIENDSHIP CIRCLE HAS PARTY

Hilltop Friendship Circle held its scheduled lawn party indoors, due to the weather. The various tables were well patronized. The meeting house was open, and many visitors found it interesting, especially the "high seat", and the shutters to separate men and women in olden times.

Eighteen members were guests at a picnic held at the home of Mrs. Nettie M. Greenwood and Mrs. Elizabeth Tomkiewicz in Acushnet. Dessert and beverages were served by the hostesses. The next regular meeting will be held at the lunchroom on September 20th, and any interested women are cordially invited.

RECEPTION FOR LODGE

All interested persons from Mattapoisett are invited to attend a non-partisan reception for retiring Ambassador and Mrs. Henry Cabot Lodge at the New Bedford Hotel, New Bedford on Wednesday, September 7th, from 2 to 3 P.M.

The invitation was extended by Edward D. Hicks, reception chairman. He said the purpose of the reception was to "give all people in the Greater New Bedford area a chance to meet with and speak personally to the retiring ambassador before he starts campaigning for vice-president."

"Thousands of people in Lodge's home state have expressed the desire to pay tribute to him for his eight years of service in the United Nations," Hicks said.

"His appearance in New Bedford along with similar receptions in other cities of the State will provide this chance."

Ambassador and Mrs. Lodge will be honored at receptions in Springfield on September 6, Worcester and Lowell on September 8 and Boston on September 9.

CRESCENT BEACH IMPROVEMENT ASSOCIATION NEWS

Well folks, the vacation season is drawing to its close, and this is our swan song for this year.

We hope that we have stimulated enough interest in our little community organization for you to come out to our last meeting on Saturday, September 3rd at 4 P.M. in Raymond Hall.

This is the time and place to evince your interest, and air your grievances. As we said before, no organization can succeed without the support and activity of its membership. If you want a good association, then it is your duty to come to the meetings and see what's going on. We'll be looking for you!

By popular request, there will be another whist party on Thursday, September 1st, under the sponsorship of Mrs. Burden. Make this the best one ever, and win one of the special prizes.

We have a champion tennis player in our midst. Dr. Burden won the finals in the mixed doubles tennis tournament at the Sippican Tennis Club, and at the time of going to press, had reached the finals in the men's singles. We hope he was successful, and our congratulations.

We haven't heard how many Crescents have been purchased this week, but may we again reiterate that every owner and resident should have one. There is still time to see Mrs. Dempsey or come to the meeting and fulfill your obligation there.

We note that Oliver Street residents followed the suggestion made here a few weeks ago, and fixed their street community-wise. Good work.

The Indian name - Mattapoisett - means "A place of peace and rest". We at Crescent Beach indeed feel that we are in a place of peace, where we can tarry awhile to rest and refresh ourselves for the labors that lie ahead.

God speed to you all, and come again next year. Au Revoir. V.W.C.

EXPRESSES THANKS.

Mrs. Jennie Dunwoody of Acushnet Road, Mattapoisett extends her sincere thanks to all for
